The funeral of the venerable Mrs. Ann Cullen took place yesterday morning from St. Patrick's Church and was largely attended.

Dr. and Mrs A. G. Browning have both been ill for the past few days at their home in Market street, but THE LEDGER is glad to report they are now improving.

Mr. Duke Rudy arrived home Wednesday from the Isthmus of Panama, where he has been for some time in the employ of the United States Government. Duke was a member of the Fire Department, and was right at home in the business, but did not like the condition of affairs; the make-up of the natives was too much of the mongrel order.

William Hightower, a cigarmaker, was found in a helpless condition this morning about 6:30 in the vacant lot of Louis Joerger in Wall street. The man had fallen over a high wall in the rear of the lot and sustained a badly injured leg—probably broken. He had been exposed to the weather since 8 o'clock last eve.

### Miss Florence Pearce Wadsworth Now a Pupil of Jean de Reske -Praise From the Maestro

Maysvillians in general should be delighted to hear that Miss Florence Pearce Wadsworth, the talented daughter of Hon. and Mrs. W. H. Wadsworth of this city, is now a pupil of Jean de Reske, the master singer and musical star of both hemispheres.

On November 12th Miss Wadsworth gave a recital in de Reske's private Opera-house in Paris, attached to his musical studio, M. de Reske being one of the world's greatest teachers of the vocal art and voice culture.

The great artist was charmed with Maysville's sweet singer and declared her voice was exquisite, of wonderful depth and range, and de Reske assured her that a bright future in the musical world awaited her.

Miss Wadsworth is now under the master's training and expects to remain in Paris for a year or two.

THE Republicans will now have an opportunity to try their hand at the settlement of the question of who is responsible for the foul murder of WM. GOEBEL.

They will also have an opportunity to deal with the HARGIS troubles in Breathitt and the Sunday closing question in the cities .- Flemingsburg Times-Democrat.

Is there anything else you can think of, Editor Duley, that you expect the Republican party to do?

The question of who killed Mr. GOEBEL is not going to bother the Republican party in Kentucky a little bit. We have suffered enough from GOEBEL while he lived, and much more since he died; so why permit his ghost to walk forever in fair Kentucky?

If the Democratic party in Kentucky has spent eight years and \$100,000 in a lamentable failure to run down the man who shot Mr. GOEBEL, how do you expect the Republican party to do any better?

Why keep forever alive this unhappy business? It was all caused by the ambitious man who declared that he would be Governor of Kentucky in spite of hell and all things.

You saw his finish.

Now Goebel's legatee in the ambition business, J. C. W. BECKHAM, has about run his

course; and, while he does not come to a violent end like his predecessor, yet it required a veritable cataclysm of popular disapproval to hurl him from his Napoleonic seat of unscrupulous and despotic power.

Your party is now having one more whack at the disagreeable matter of trying CALEB Powers, one of the alleged assassins of Mr. GOEBEL, via the same old method of a Democratic Special Judge.

What will the harvest be?

Another conviction, to be followed by another reversal by the Court of Appeals?

This endless chain and continuous performance of Special Judge vaudeville is growing monotonous in old Kentucky; besides, it's ex-

It can serve no political end now, so why prolong the judicial farce?

CALEB POWERS IS not a candidate for sympathy either; he merely demands JUSTICE, and as vox populi is still vox dei, and henceforth, woe be unto the unscrupulous tyrant who attempts to put his foot upon the neck of a free-born American citizen or rob him of his ballot or his birthright as did WILLIAM GOEBEL and his co-conspirator and legatee — John CREPPS WICKLIFFE BECKHAM.

With Chronic Coughs Need Vinol. It Stops the Cough and Cures the Cause.

This is the season for coughs and colds, and for the benefit of Maysville people our local druggist, John C. Pecor, tells them the best means for a cure.

He says: 'Take Vinol, our real cod liver preparation without oil. It does not upset the stomach like cough syrups, and it is much more effective. Vinol is not a palliative but a curative."

This is because Vinol contains in a highly concentrated form all of the healing, strength creating and medicinal elements of cod flver oil actually taken from fresh cods' livers, with all the useless, nauseating oil eliminated and tonic iron added. It tastes fine, and cannot upset the weakest stomach, hence its wonderful power to cure.

We ask every person in Maysville who has a chronic cough or hard cold to try Vinol on our avenue. guarantee. JOHN C. PECOR, Druggist, Maysville, Ky.

## WORTH CONSIDERATION

When buying from a jewelry store wouldn't you consider it very important to feel there is absolutely no question about quality? When you buy here you don't pay any more, perhaps less, than in an indifferent store, but you are certain about quality. That point alone is more important in choosing Diamonds, Jewelry, Watches and Silverware than any other merchandise. : : : : :

## THE PRINCESS RINK

Enormous Crowd Packed the Big Building Last Night to Attend the Masqued Carnival

The New Orleans Mardi Gras wasn't in it, according to space, with the time that was had last night at the Princess Rink at the "Masqued Carnival."

Such a crush of humanity was never seen in a Maysville building and the doors had to be closed early in the evening to shut out the people who continued to pour in, filling every available foot of space, even out in the skating arena, which was encroached upon for seating capacity, thus curtailing the floor space for the skaters. However, barring the crush, everybody was happy and the contests were pulled off with the most friendly feeling of rivalry and amid storms of applause.

To describe adequately the carnival would require several columns of THE LEDGER.

There were nearly a hundred en masque and the costumes were in all the styles of the season and all the colors of the rainbow and could not be depicted in this brief article.

The contest was for the best couple skating, mask and couple both to count, each \$5 worth of tickets.

The prize was awarded to Miss Maude Berry Japanese and Mr. Dugan Dunn, clown.

Miss Virgie Smith and Mr. Bert Pollitt, cos tumed as "Buster Browns" ware close seconds for the priz- and elicited much applause.

### **NOTIFYING BUYERS**

'Peaceful" Army at Work in Fleming County This Week

A peace army of 200 tobacco growers visited Nepton Wednesday and notified O. Mauser, the American Tobacco Company's buyer for Fleming county, not to purchase any of the 1907 crop of tobacco in Fleming.

The army then went back to Elizaville and Flemingsburg and stated their wishes again to several independent buyers. Everything was done quietly and orderly, but under the surface there are murmurs of discontent and silent threats on the part of some.

This is the first demonstration of the kind to take place in Fleming county, and it is feared some lawless act will result. Of the 3,500 acres raised in Fleming this year, 2,400 are pooled in the Growers' Association.

The American agent in Fleming stated that he had already contracted for 300,000 pounds to be delivered at Nepton, and he was requested to cancel the engagements, which he said he could not do, but would have to be governed by orders from his company.

## "CUTICURA REMEDIES ARE UNEXCELLED"

"About a year ago I was a sufferer from skin, scalp, and blood humors. For four months I used various reme-dies prescribed to me for their treatdies prescribed to me for their treatment, but they gave only temporary relief and then the distressing blood humors were back as usual. I finally lost all hopes of getting cured of this ailment. But a friend induced me to give the Cuticura Remedies a fair trial. He had been troubled with the same disease and said he had been permanently cured by Cuticura. So I got the whole treatment, consisting of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and after I began the treatment I could see and feel that it was a success. The Cuticura Resolvent is certainly of great value as it cleanses the system of all humor germs and makes digestion easy. I used two complete sets of the Cuticura Remedies and I can say this much, that I was permanently cured by them. I want to say further, that these Remedies are unexcelled in curing the worst forms of skin and scalp humors. S. D. Phillips, Ordinance Corps, U. S. A., Rock Is, Arsenal, Rock Is, Ill., Nov. 22, 1906."

I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years.
